

CALL FOR QUOTATIONS
AIRPORT SNOW REMOVAL

The Village Of Grand Manan is calling for tenders for the snow removal at the Grand Manan Airport. The Airport is our lifeline to the mainland; this facility must be cleared immediately after a snowfall. The contract will cover the snow conditions during the following periods: November 7, 2017 to April 30, 2018; November 1, 2018 to April 30, 2019; November 1, 2019 to April 30, 2020; November 1, 2020 to April 30, 2021; November 1, 2021 to April 30, 2022. You must submit your tender quote indicating an amount for each of the above mentioned periods. The contract will end on April 30, 2022.

Scope of Work:

- Supply all labour and equipment required to remove snow from the Grand Manan Airport.
- Remove snow from the two taxiways and the runway.
- Remove snow from around all apron and runway marker lights.
- Application of “urea” for ice melting purposes (urea to be supplied by Village)

The following items must be included with your tender price:

- A list of available equipment used.
- A copy of your liability insurance (Commercial General Liability \$2,000,000.00, Village to be named as additional insured.). A waiver must be signed for the release of insurance information so that should any insurance be cancelled the Village will be notified.
- A copy of your Workmen’s Compensation Coverage.
- Proof of your ability to get coverage for plowing the Airport. (Proof of coverage must be given prior to signing contract.)
- Your quote for the entire three periods indicated above.
